

Mrs Dahabo Darro informed the traders the importance of the complex and its conducive to all , including disabled to comfortably do their businesses. She told the traders of how Marsabit municipality is committed to empowering and supporting the traders. The vice chair person noted that it was the reason the national government in partnership with county government invested in establishment of the modern complex market to accommodate the traders and create dignified spaces.

In response to their discussion Mr Boru assured them of proper maintenance of the complex and the electricity and allowed the traders to pay Ksh 1500 monthly as they have requested. Mr Boru further claim that everything possible to be done to ensure that the complex are effectively put to use to justify the millions of shillings invested in the construction.

Mr Boru, Municipal manager announced that the traders who were offered spaces at the market and fail to occupy the allocated space should consider the offer cancelled.
